About Bertona

BERTONA Canados 116' is a 35-metre yacht launched from the Italian Canados shipyard.

She is the flagship of the Canados flybridge range with the exterior design developed by the yardsown Technical Department.

Her interior design, on the other hand, was created by Salvagni Architetti from Rome.

Additional Information

An elegant contemporary style with some details, polished ebony and matt whitened oak were selected for BERTONA yacht's furniture, while natural bamboo for the floor.

The living space and the independent dining area of BERTONA feature a table by Saarinen and chairs by Mies van de Rohe.

The kitchen is by **Boffi** and can be found on the **main deck**, while the **lower deck** is destined to the owner and his guests, with the **owner's suite**, a VIP and two twins - all with en suite bathrooms.

There are **three crew cabins** located forward on the lower deck and can be accessed from the galley.

The **wheelhouse** located forward is a separated area on an independent deck, the **flybridge** of the yacht was designed to enjoy openair sailing and relax.
